Sanford Health holding vaccination events at Salem Armory *COVID-19 vaccine available by appointment for individuals 80-years-old and older*

SIoux FALLS, S.D. — Sanford Health will begin COVID-19 vaccinations for individuals in the phase 1D population group as defined by the South Dakota Department of Health beginning with residents 80-years and older who live in McCook and Miner counties in southeast South Dakota.

The appointment-only vaccine events will be held from 11:30 a.m. to 5:30 p.m. at the Salem Armory on the following dates:

- Jan. 27
- Feb. 10
- Feb. 24
- March 10

Other eligible individuals who fall under the 1A or 1C population groups as defined by the South Dakota Department of Health can also sign up to receive the COVID-19 vaccine. This includes health care workers, long-term care workers, emergency medical services, law enforcement and correctional officers.

To be added to the wait list for an appointment, fill out the '[Vaccine Waiting List](#)' form at sanfordhealth.org. Sanford Health will then contact individuals who meet the current vaccine qualifications to schedule appointments.

Appointments cannot be scheduled through the Salem Armory.

About Sanford Health

Sanford Health, one of the largest health systems in the United States, is dedicated to the integrated delivery of health care, genomic medicine, senior care and services, global clinics, research and affordable insurance. Headquartered in Sioux Falls, South Dakota, the organization includes 44 hospitals, 1,400 physicians and more than 200 Good Samaritan Society senior care locations in 26 states and nine countries.
