Set Meeting Decorum Policy

WHEREAS, the City of Montrose has determined the need to set the following Policy for Meeting Decorum. In support of and respect for an open, fair and informed decision-making process, the City Council recognize that:

WHEREAS Civil, respectful and courteous discourse and behavior are conducive to the democratic and harmonious airing of concerns and decision making; and

WHEREAS Uncivil discourse and/or discourteous and inappropriate behavior have a negative impact on the character and productivity of the decision-making process.

WHEREAS In an effort to preserve the intent of open government and maintain a positive environment for citizen input and Council decision-making, the following Rules of Decorum have been established.

Compliance with these rules is expected and appreciated. The Rules of Decorum will be included in the agenda and will be referenced at the beginning of each council meeting and council work session by the presiding officer. A written list of the Rules of Decorum will also be printed and mounted upon the walls of the Council Chambers and the Committee Room.

Therefore, it be resolved that:

- * Citizens must be recognized by the presiding officer prior to speaking.
- * Citizens may speak only to the matter for which is being discussed and, in the case of public hearings, those matters which have been advertised and placed on the council meeting agenda.
- * In an effort to accommodate all who wish to address council at a council meeting during the Public Hearing of Those Present, while preserving a reasonable and efficient meeting schedule, each speaker will have a specified amount of time to deliver comments. Comments will be timed by the Finance Officer or designee. Speakers are expected to cease comments immediately upon end-time. Citizens will be allowed to speak for up to 2 minutes.

- *Speakers will refrain from making comments of a personal nature regarding others.
- *Name-calling and/or obscenity is forbidden.
- *Shouting, yelling or screaming is forbidden.

*Council meeting attendees (audience) will refrain from commenting, shouting, booing, clapping, stomping feet or other inappropriate and/or disruptive behavior. Brief clapping is permissible at the end of a speaker's comments.

*Exhibits, displays, and visual aids used in connection with presentations to the City Council are permitted.

It is the intent of council to maintain order and enforce Rules of Decorum for its meetings.

Disregard of these rules will be met with the following consequences:

- 1. The presiding officer will identify out loud the out-of-compliance behavior and request for the behavior to stop.
- 2. The presiding officer, Finance Officer or designee will read out loud the relevant "rule of decorum."
- 3. The speaker will be asked to stop the out-of-compliance behavior.

MONTROSE CITY COUNCIL MEETING UN-APPROVED MINUTES –September 9th, 2025

On September 9th, 2025, the Montrose City Council Meeting took place at the Community Center. *The Pledge of Allegiance* was recited. Mayor Susan Painter called the meeting to order at 6pm. *Roll Call*: Council members: Hanisch, Vogel, and Binder were present. Council Scheff arrived at 6:37pm. Finance Officer Siemonsma present. Maintenance Hanisch present. City residents present. Quorum present. Rules of Decorum stated by Painter.

SPECIAL TOPICS:

Citizen Bracy was not present for agenda topic.

Campground hosts LaDawn and Ken Ripperda were present to give updates on the campground and ask the council members if she could be given more admin access within the software to be able to move campers from 1 spot to another. FO stated that this action within the software can create invoice changes, which then affects revenue reporting and bank reconciliation differences. FO stated that the internal controls policy states that the campground host is not to handle any cash, or online invoicing that requires billing modifications to stay compliant with the current Resolution. Camp hosts asked for a sign for the bathhouse for next year to help guests navigate. LaDawn asked for upgrade considerations in the campground for 50amp service and water service on the south side of the campground. Council members stated these upgrades are being discussed and considered for the future.

OLD BUSINESS:

City Punch list was reviewed by council members.

Citizen Gene Struck was not present at the council meeting.

FO asked Gene Struck to surrender the city baseball-building key. The baseball building door has been left open several times and he is disrespectful of city procedure by allowing football players to use the facilities after the city announced to him that the building had been winterized and water shutoff for the season in 2024. FO stated that all city non-employees such as volunteers do not have city keys to city buildings to adhere to an internal control mechanism in place to protect and regulate city property.

Council members stated that the locks will be changed on the baseball building and all keys/access will be through the lock boxes moving forward.

Housing Grant updates: approved at the state level, now moving forward for approval at the federal level.

Action 25-131

Moved by council Hanisch, seconded by council Vogel, for approval of the 2nd and final reading of ORD No. 2025-004 Zoning Chapter 13 Variance Protocol. *Roll Call:* All favored no opposition. Motion carried.

2026 Property Tax Levy amount was adjusted on ORD No. 2025-006 from \$152,817.00 to amount being requested to McCook County for the budget in the amount of \$151,916.00. CPI and growth= 3.4% for 2026.

Action 25-134

Moved by council Binder, seconded by council Hanisch, for approval of the 2nd and final reading of ORD No. 2025-006 Budget Appropriations for 2026. *Roll Call:* All favored no opposition. Motion carried.

Council reviewed the Legion Operating Agreement for 2025/2026 verbiage. Nothing has changed from prior years. DOR liquor license renewals will be completed over the next month for Webs Pub and the Legion.

The Montrose city bar sale deed is being corrected by the city attorney due to mislabeling of the 2 parcel legal descriptions in the initial purchase agreement. The title insurance will need to be corrected by a date down endorsement and addendum to the purchase agreement will also be done with the realtor. Costs to remedy this issue were discussed.
